To Whom It May Concern:

It is a pleasure to write you in recommending for your consideration, Richard Dissell for employment. As one of Richard's fortunate instructors, I find this individual to be a proactive student, who is prepared and ready for the next challenge. Richard is very motivated and consistently goes above and beyond what is required for the course.

I find that Richard's intellect and applied skill set is excellent regarding challenging material. Along with these skills, he is also dependable, courteous of others, and always prepared. I think that Richard will do whatever it takes to get the job done in the most efficient manner. He will make a fine addition to your team and I urge you to consider him for employment.

If you have any questions regarding this exceptional student, his performance or character, please feel free to contact me. I wish you all the best.

Regards,

Tony Godfrey
Instructor
Certified Linux Professional

PS – This student is very exceptional, highly skilled, and his technical and problem-solving abilities are without comparison. He is very personable and able to explain

technical details to non-technical people with ease. Richard's abilities and willingness to learn will be a great asset to any Information Technologies department.
